FROM: P/O Erin Murphy [REDACTED]

SUBJECT: Log #1049229

This statement is not being given voluntarily, but under duress. I am only giving this statement at this time because I know that I could lose my job if I refuse. This report should not be considered a verbatim statement but only a summary of requested information.

11 October 2011, R/O was assigned to Beat 906A with PO Sego. Uniform of the day was civilian dress; work hours from 2100 to 0630hrs.

R/O had the opportunity to come into contact with the complainant/offender after we observed [REDACTED] violating multiple traffic laws. The only physical contact R/O had with the offender was to assist in placing the offender into custody. PO Sego handcuffed the subject and attempted to complete a custodial search of the offender on the street.

The only physical contact that I observed regarding Carey, Parochelli and Sego was to place the offender into the transport vehicle and later R/O observed Carey and Parochelli escort the offender into the 009th District for processing. At no time did the complainant/offender complain of injury, nor did I observe Sego pull or insert his finger inside the offender's rectum.

R/O had removed my service weapon from my holster when the complainant/offender was observed making a movement with his right hand down the back of his pants.

APPROVED
